FIVE LEAF ECO TIP

Do we need it?

Buy Nothing New Month is time to think about our “belongings”. The average Aussie spends \$3172 a year on stuff they don’t need. We are spoilt by the choice of stores and online websites selling products in Australia and overseas. Whilst we get happiness from buying items and “collectables” perhaps we need to think about how much room we have to store them. Let’s use what we have and enjoy our belongings. Or share them, gift, swap or pass them on.
